

Schroon Lake Public Library

Down to Earth Garden Club

For Kids and their families

Begins: Saturday, June 1st.

Time: 10:30—11:30 a.m.

Children and their parents are invited to join this exciting program at the library. Participants will meet twice a month at the library for about a half hour of fun activities, followed by a short walk to the community garden to tend to the library plot. Children will plant, tend and harvest their garden while learning about the natural world around them. Utilizing the gardening experience as well as library books and fun, hand-on activities, the group will learn about such things as soil composition, helpful and harmful insects, birds, the water cycle, botany and the interrelation of plants, animals and humans.

The program will begin June 1st and run through the end of September.

Stop by the library to register or call us at
532-7737 ext. 13
