

# Free Computer Training

at  
The Schroon Lake Public Library  
Every Thursday

5:30 p.m.—7:30 p.m.

**Open Lab**— Have specific computer questions about the internet, setting up an email account, MS Excel, MS Word, or any other computer related question? The library offers drop-in computer help in addition to regularly scheduled computer classes. Our computer staff can assist you with setting-up eMail, using Microsoft Excel or Word, surfing the Web , or any other computer-related technology question. No registration is necessary, and you can come anytime during the two hours. Feel free to bring a flash drive with the document you're working on. We have laptops or you can bring your own. For further information contact the library at 532-7737 ext. 13

- Come every week.
- Bring your laptop or use one of ours!
- Walk-ins welcome
